Supplies Needed:

- 5/8 yard of mid-weight fabric
- 1/3 yard lining
- 1/4" wide elastic (8" for cover bag, 4" option B)
- Matching thread

Additional supplies for Option B

- 1 - small decorative button
- 4" of 3/8 - 5/8" ribbon
- 1 size 4 snap

This darling cross body purse is the perfect accessory for every girl. You can achieve many different looks with the two front flap options we have included. The first option features a front pocket flap while the second option features a contrast binding and decorative ribbon. Both options give you plenty of places to add your special designer touches!

Suggested fabrics include: twill, denim, faux leather, suede, corduroy, or any other mid-weight fabric. We used a cotton for the lining. Have fun adding a little ‘surprise and delight’ to the inside of the bag with a printed lining or accent color. Another option for the self fabric strap is to use purchased strapping or webbing - lots of fun choices to use here too!

**NOTE: Option A is the burgandy dot bag and Cover; Option B is the brown leather bag in the photo.
Cutting Instructions

Cut out or trace the pattern pieces provided. Identify those needed for the Option you are choosing to make - A or B. Please see below for a list of the pieces needed for each option.
